

## **ExpressJet Achieves Milestone with FAA Demonstration Flight**

**AUGUST 24, 2021**

On August 24<sup>th</sup>, ExpressJet reached a major milestone by successfully demonstrating a flight under Part 121 for the FAA.

After a few administrative items are completed, ExpressJet will receive full FAA approval to conduct revenue operations under its 121 certificate.

With the DOT issuing its final Fitness Order on July 31, ExpressJet is well on its way to initiating flying as an independent carrier!
